

Microneedling

ADD-ON OPTIONS

THREE WAYS TO ELEVATE YOUR RESULTS

Microneedling creates controlled micro-channels in the skin to stimulate collagen and improve texture. Choose the add-on that best fits your skin and goals.

HEALTHY SKIN.
CONFIDENT YOU.

COMPARE YOUR OPTIONS

HA (HYALURONIC ACID)

Hydrate & Refresh

A hydrating boost that enhances glide and supports the skin's moisture barrier.

Deep Hydration

Improves Texture & Radiance

Ideal for Maintenance

BEST FOR: All skin types | First-time microneedling | Prevention

ZO FIRMING SERUM ACCELERATED

Firm & Rejuvenate

Powered by growth factors and peptides to help improve firmness, elasticity, and overall skin quality.

Supports Firmness

Encourages Collagen & Elastin

Improves Tone & Texture

BEST FOR: Early signs of aging | Loss of firmness | Crepey skin

VAMP™ (PROLLENIUM)

Revitalize & Restore

A bio-revitalizing solution with peptides, amino acids, vitamins, and antioxidants to support collagen and skin vitality.

Boosts Skin Vitality

Enhances Glow & Radiance

Supports Collagen & Elasticity

BEST FOR: Dullness | Uneven texture | Advanced rejuvenation

HOW DO I CHOOSE?

Your provider will help you select the best option based on your skin goals, concerns, and desired results.

CHOOSE HA IF YOU WANT:

- Deep hydration
- A refreshed, healthy glow
- A great starting point

CHOOSE ZO IF YOU WANT:

- Firmer, more elastic skin
- Improvement in fine lines and crepey areas
- A boost in collagen & elastin

CHOOSE VAMP™ IF YOU WANT:

- Brighter, more radiant skin
- Improved texture & tone
- Advanced support for collagen and overall skin health

Beautiful skin is a journey.
We're here to help you along the way.

ASK YOUR PROVIDER WHICH OPTION IS RIGHT FOR YOU.
